**Attention Shannon Lake Estates Home Owners:**

In order to begin our new lawn treatment service, it is necessary that each homeowner signs this form stating whether or not they agree to have their home added to the list of homes that will be treated by Quality Termite & Pest Control. The treatment that each homeowner will be receiving; if you decide to opt in will include lawn fertilizing, weed control and pesticide treatment. This service is being provided at no additional fee to the individual homeowner(s).

Please return this form to:
